Library Lines

Publisher, Author, Tony Wade, will be coming to the Leisure Town Library, with copies of his books, on Saturday, November 9, 2024 from 10 am to 12 pm. Stop by to buy, or stop by just to say hi! Author and accidental historian Tony Wade leads a vivid tour through bygone Vacaville. The title of his book, "Growing Up in Vacaville" will be available for you to purchase, and have signed by the Author. The people, the places, the food, the culture--everything within the pages will be designed to hit the memory sweet spot of folks who grew up in Vacaville, California or who may just yearn to learn more about it. Please stop by and show support for this local Author. Save the date!

New books expected to arrive at your library in November include: April Storm, Leila Meacham; Author's Guide to Murder, Beatriz Williams; The House of Cross, James Patterson; Now or Never, Janet Evanovich; Raised By Wolves, James Patterson; To Die For, David Baldacci.

Community Manager Note

It's a girl! I'm excited to officially introduce Natalie Renee Morgan, born on June 3rd at 8 lbs. 5 oz, 20.5 inches long at our local Vacaville Kaiser.

Wow, how quickly these last few months have gone by while I was on leave. Thank you to the Board and Kasey at OMNI for supporting my sudden leave earlier than anticipated. I tried to hang in there as long as possible, but baby girl had different plans and the doctors wanted her to arrive 3 weeks early. Natalie is such a joy and a perfect addition to our large blended family of 9 children. The older siblings help dad care for her during the day when they are not at school or working and the younger ones are built-in entertainment for her. Natalie loves to sit up and observe everything around her, loves to chat (or yell) at full volume, and has mastered her flirtatious smile with her one dimple. It's been such a gift to have these past months with her at home.

-Cindy Morgan, Community Manager

BOCCE BOCCE BOCCE BOCCE BOCCE

Here we are in November with winter quickly approaching. Our Annual Bocce Tournament and October Fest dinner was a great success. At this time we will begin planning our Bocce Members Christmas Party.

As winter rolls in our weekly playing times are more dependent on the weather. If anyone is interested in learning more about the game of bocce stop by the courts where you will find our bulletin board displaying current play times. We are always looking for new members and all are welcome.

Our regular monthly Bocce meeting will be held Tuesday, Nov 5th, at 4pm in the Card Room. We invite all LT residents who are interested in learning more about our Bocce Club to join us. Any questions call either Eileen Roberts, 707 317-5543 or Carol Jones, 707 330-0659.

Volunteers in Police Service

Did you know that the volunteers from the Vacaville Police Department offers an in-home service to seniors in the community by providing wellness checks and vacation house checks? An application must be filled out since this is a voluntary program. Home visits will be conducted by volunteers who are distinctively dressed in a uniform shirt and driving a marked city vehicle while providing their volunteer identification card. Volunteers will call or stop by to make sure your basic needs are met including food, water, heat or air conditioning, medical supplies, etc. Checks can also be made available while you are out of town to ensure your home is being watched over for peace of mind. To access this FREE service, complete the online application at <https://www.cityofvacaville.gov/government/police-department/forms-flyers>. Or you may call (707)469-4747 to arrange for delivery of a copy of the form to your home.

Travel Club

The Travel Club Is Giving Thanks

The Leisure Town Travel Club is giving thanks for the opportunity to gather with friends and family. We have enjoyed monthly activities that have taken us to new places and to “tried and true” places. Each trip has given us a break from the daily routine, expanded our knowledge, and entertained us. We are giving thanks.

Unfortunately, our excursion to the Duarte Nursery in Hughson for November 20th is cancelled. The enrollment was too low to meet budget. I'm thankful we have no cancellation fees to pay. (The Women's Club will meet that day, so there is a good alternative activity.)

Stroll the streets of Nevada City on December 8th, Sunday, for a Victorian Christmas to awaken all of your senses. There will be vendors for a Christmas Market with gifts and food galore. You will see and hear the costumed musicians and maybe even see Father Christmas. See the flyer.

A special thanks goes to Eileen Roberts and Ray Ann Sullivan for being diligent officers this year. As Vice President, Eileen has enrolled members and matched resident member sponsors to non-residents. Ray Ann has kept the historical record through minutes of the Board and Club meetings. They are stepping down and will be very missed. Thank you, ladies!

Our November meeting (2:00 PM, 11/14/2024, Town Hall) is usually an election time. However, we have no nominees for the open offices. Come to the meeting to learn more about the trips available and get your party invitation for the December meeting.

Happy Thanksgiving from the Travel Club.

Victorian Christmas

Nevada City, CA
Sunday, December 8, 2024

Nevada City is an 1849 mining town nestled in pine covered hills. The city has kept that era alive with its gas-lit-lamps, period architecture and avoidance of chain stores. That makes it a lovely place to host the Victorian Christmas!

Come celebrate the joy and good tidings of the season. Smell the roasting chestnuts. Hear the street vendors hawking their wares. Visit the quaint stores. Find treasures and tasty treats that warm the Christmas spirit. Enjoy the strolling carolers dressed in Victorian attire, and maybe see Father Christmas.

2 Bathroom

- **Bacterial Fact:** Bathrooms are hotspots for bacteria like Staphylococcus aureus, E. coli, and Salmonella. These bacteria can thrive on surfaces like toilet seats, handles, faucets, and even in the shower.
- **Health Risks:** The presence of these bacteria increases the risk of gastrointestinal infections, urinary tract infections, and skin infections. Staphylococcus aureus can also lead to more severe conditions like MRSA (Methicillin-resistant Staphylococcus aureus) if not properly managed.

1 Kitchen

Bacterial Fact: The kitchen is one of the dirtiest areas in the home, with kitchen sponges, sinks, disposals, countertops, range hoods and assorted handles being prime breeding grounds for bacteria like E. coli and Salmonella.

Health Risks: These bacteria can lead to foodborne illnesses, causing symptoms such as nausea, vomiting, diarrhea, and severe abdominal pain. Cross-contamination can easily occur when these bacteria spread from surfaces to food, increasing the risk of infection.

- **Bacterial Fact:** Dust in the home is composed of a mix of particles, including dead skin cells, pet dander, pollen, and bacteria like Streptococcus and Staphylococcus. Dust mites, which thrive in dusty environments, also contribute to bacterial contamination.
- **Health Risks:** Inhalation of dust particles can lead to respiratory issues, particularly in individuals with asthma or allergies. Dust mites are a common allergen, and their presence can worsen symptoms of asthma, leading to coughing, wheezing, and difficulty breathing. The bacteria in dust can also cause respiratory infections.
